LIBRARY MANAGEMENT PROJECT IN C LANGUAGE

IFTEKHAR HASAN

FIRST CONSOLE DISPLAY

AT first it will ask your name and today's date .

So you have to insert Date like : 27 12 2023

I mean at first you will insert day (27) and press space bar then month (12) and then again press space bar then year (2023) it will look like 27 12 2023

Note : Only single space .
